

## Bi-Weekly Bulletin for November 14, 2019

### MEMBER NEWS

#### **Parent group awarded \$125K Drug-Free Community grant**

Chestnut Health Systems has recently received several grants to combat drug abuse and addiction in the Bloomington-Normal communities. Now, the organization has worked to facilitate a grant for BN Parents — “a community coalition with a mission of reducing substance use through parent-teen communication on the issue.”

## **INDUSTRY NEWS**

### **Americans spending more out-of-pocket on mental health than physical health**

Many insured Americans go out of network for mental health services, a new study suggests, despite the higher costs to them and despite a federal law mandating that policies' mental health coverage be at least as good as their physical health coverage

## **BUSINESS NEWS & LEADERSHIP ARTICLES**

### **The art of not taking offense**

There’s an old-fashioned word that rarely gets used anymore: magnanimity. It’s the ability to rise above petty insults and arguments, or as one dictionary artfully puts it, “loftiness of spirit enabling one to bear trouble calmly, to disdain meanness and pettiness, and to display a noble generosity.”

<https://www.smartbrief.com/original/2019/11/art-not-taking-offense>

### **Privacy challenge: passwords**

We aren't solving for every aspect of digital privacy or making our digital lives completely private by using a password manager, but it's a strong start.

### **Fewer answers, more questions: Developing your talent pool at all levels**

Companies most often invest in developing leaders identified as "high potentials" through traditional classroom learning experiences while frequently overlooking the value of investing early in their pool of early managers and up-and-coming leaders.
